School Closure - Move to Blended Learning

Dear Parents and Carers,

We are writing to inform you that, regrettably, the school building will be closed today.

Although the main road leading to the school has been cleared, the pavements and the school site itself remain covered in ice. This presents ongoing health and safety risks for pupils, families, and staff, and we feel it is not safe to open the building at this time.

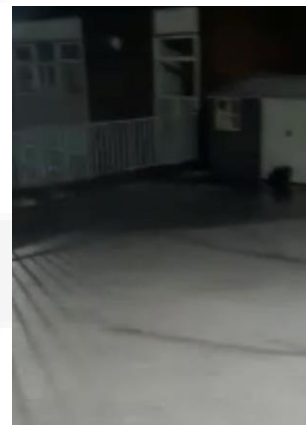

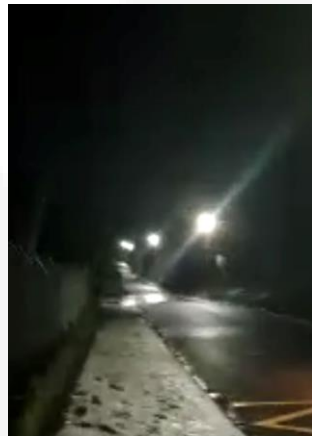

To ensure continuity of learning, the school will move to Blended Learning for today. Learning resources and activities will be available on Hwb, and pupils (from Year 1) will have access to:

- Mathematics, with a focus on measure
- Reading Eggs, supporting reading and comprehension tasks

Teachers have planned activities that pupils can complete at home, and these will be accessible throughout the day.

We appreciate that closures can be disruptive and thank you for your understanding as we prioritise the safety of our school community. We will continue to monitor site conditions and will provide further updates as necessary.

Pictures taken at 6.45am:

Thank you for your continued support.

Cofion cynnes,

Mr. A. Bennett

Pennaeth: Mr. Ashley Bennett
